**Route 9A Update/Senate Bill S8795.** The Mayor reports that as a result of your continued support combined with our public stand focused on the out of date and **dangerous conditions of Route 9A**, this NYS Senate Bill has been assigned a "Same As" bill in the **NYS Assembly Bill A11126**. We are encouraging residents to go to [nysenate.gov/legislation/bills/2019/A11126](http://nysenate.gov/legislation/bills/2019/A11126) and click on the box to support this bill that would authorize the Department of Transportation to conduct a study pertaining to proposed improvements of State Route 9A in the Towns of Ossining and Mount Pleasant.

# A LOOK AHEAD: WHAT TO EXPECT IN THE VILLAGE IN 2021!

## Central Business District

We have several plans scheduled for our downtown. These are some highlights:

### Cross Access Parking

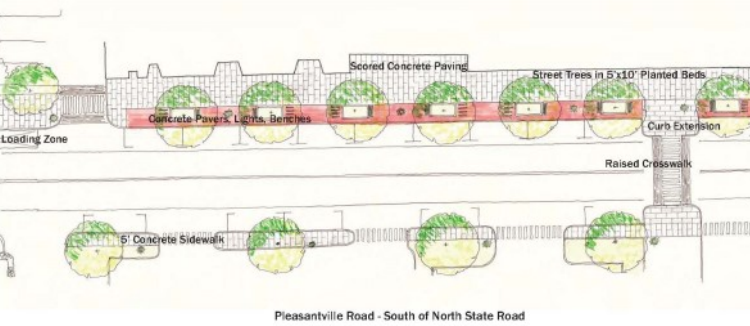

A project (many, many) years in the making is moving forward. The project includes providing cross access circulation and parking behind the Central Business District and is being designed in conjunction with our Streetscape Project.

### Streetscape

After much public input, this Capital Project has been designed to revamp the entire appearance of the Village's Central Business District. Project is expected to be out to bid in early 2021 with the hopes of a spring start. Improvements include new streetlights, trees, raised crosswalks and most importantly new sidewalks.

*The image to the left is the proposed design for this project.*

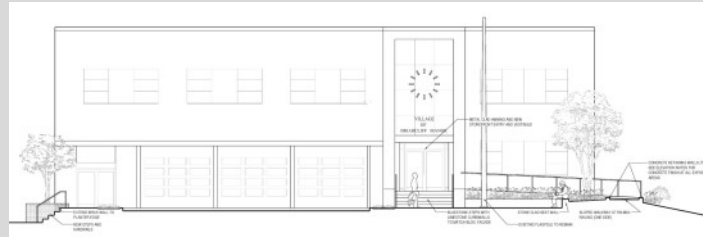

### Village Hall ADA Project

Starting this spring, the exterior of the Village's Municipal Building will be receiving a facelift with help from a DASNY Grant.

All operations in Village Hall will be accessible during this project. Some New Features Include new sitting wall with charging stations, repaving of firehouse driveway, revamped landscaping

plan, increased lighting, highlighting the monument bell and more.

### Tuttle Road Rehabilitation

New drainage, pavement, sidewalks and curbs will be installed on Tuttle Road as part of the overall Law Park Drainage Basin Project. One of the goals of this project is to make the roadway more pedestrian friendly. This Capital Project is currently out to bid and is set to be awarded in February. Please stay tuned to additional information regarding detour plan.

## POLICE REFORM AND REINVENTION COLLABORATIVE

Governor Cuomo's Executive Order 203 from June 2020 required all local governments to perform a comprehensive review of their police departments to ensure "deployments, strategies, policies, procedures and practices" are best serving the needs of the communities and fostering "trust, fairness, and legitimacy." As a result, the Board of Trustees formed the Police Reform Advisory Committee, comprised of 13 community members, who will meet the 1<sup>st</sup> and 3<sup>rd</sup> Monday of each month to make suggestions for further consideration. All meetings are open to the public, and residents are invited to participate at a public forum via Zoom on Saturday, January 23<sup>rd</sup>.

# FROM THE BRIARCLIFF MANOR FIRE DEPARTMENT

## THE HERO WITHIN YOU

The Briarcliff Manor Fire Department is always eager to train our community's next great local heroes.

Since 1901, the Briarcliff Manor Fire Department and Ambulance Corps have been blessed with many residents who have recognized and acted on their desire to serve our community. They have sacrificed personal and professional responsibilities to save lives and protect property. They are a 100%, all-volunteer team responding to over 1000 fire and ambulance calls each year.

Today in our community and throughout NY State, there is a dire need for more residents to uncover their hero within. When a call comes in at 4AM, the dedicated members of the BMFD are there for you.

The BMFD members look just like you. They have families and jobs. They might coach youth sports, or run local businesses, commute to their offices, raise their children here. When they joined the BMFD, they knew nothing of what it took to be a volunteer firefighter or EMT. They took a chance, endured the hours of training, experienced the thrill of jumping on a rig to save a neighbor's house. They now know the camaraderie of working as a team to keep their community safe, while making new local friends, and sharing the pride that comes from having the courage and dedication.

We need a little time and dedication-to-serve spirit from more residents. We need the...

- work-from-home professional to give us a couple of calls a week.
- HS and gap-year students to learn the career skills of a real "first responder."
- small business owners who have the freedom and flexibility to support the community that supports them.
- NY City commuter to give us a few nights and weekends each month.

Sound like you? The Briarcliff Manor community needs you.

We hope that you never will need us but just in case, will you be the one who is trained and ready to unleash the hero in you?

## When Seconds Count...

**Which would you rather have to protect your home?**

**After a snowfall, remember to clear a three-foot radius around fire hydrants near your home.**

### KEEP FIRE HYDRANTS CLEAR OF SNOW.

- Remove snow and ice from the hydrant
- Clear an area approximately 3 feet around the hydrant
- Clear a path from the hydrant to the street

The BMFD thanks you for your help!

Santa's Express and his socially distanced elves made their way through the Village on December 20.

Gemma Gentile looks on as Santa's Express comes her way.

If you see this sign posted there's a land use application before the Planning or Zoning Board and additional information is available on the website. One of the many ways the Mayor and Board of Trustees is improving communication in the Village.

**HALLOWEEN 2020** The 2020 Halloween season may be old news now, but we had so much fun back in October that we wanted to take a quick trip back to relive some of the memories, spirit and excitement! Old traditions were carried on, and new traditions were born! Thanks to all who participated and helped to make all of our Village events special and memorable!

**HALLOWEEN WINDOW PAINTING** Oct. 17— We may have had to space out our artists a little more than usual, but everyone came together in a safe, socially-distanced format, and the Village was transformed and instantly decorated for the Halloween season! When the paint was dry, 105 young artists had helped bring our Village storefront windows to life with their beautiful, seasonal paintings! Great job by all!

**FAMILY SCARECROW MAKING** Oct. 24—Our traditional Ragamuffin Parade had to be canceled this year, but a new tradition was born! The 1<sup>st</sup> Annual Family Scarecrow Making event was held in Law Park and Briarcliff's families did not disappoint! Over 30 families enjoyed creating their awesome scarecrows, and the rest of us enjoyed the somewhat eerie display of these seasonal creatures along the park walking paths!

**TRUNK OR TREAT** Oct. 31—In an effort to provide a safe alternative to house-to-house trick or treating during the pandemic, Briarcliff hosted our first-ever "Trunk or Treat" event on Halloween at the Club Field parking lot. We conducted three sessions and 84 families participated and had a blast!

**THANKS FOR MAKING HALLOWEEN 2020 MEMORABLE FOR ALL THE RIGHT REASONS!**
