### IN THIS ISSUE:

- 2019 Recap
- The Hiking Project
- Local Law Summary
- DPW Garbage and Recycling 2020 Schedule
- NIXLE—Emergency Alert System
- Upcoming Events
- Law Park “NiceRink” Returns!

**2019 was a busy year!** There are many parts in constant motion in Briarcliff Manor. The Mayor and Board of Trustees (M/BOT) have embarked on a series of varying but focused initiatives since coming into office this past April. While several ongoing projects continue, the M/BOT added three major, purposeful topics beginning with a “B-Zone” review. The B-Zone consists largely of former corporate campuses, now shuttered, nestled in residential areas: all subject to potential re-

development. Mayor Steven Vescio and the Board of Trustees established a one-year building moratorium in June, which triggered a full review of not only the properties themselves but the changing nature of these older corporate offices into future potential mixed uses. We have engaged consultants to assist us in a “fresh-eyes” approach to ensure whatever future uses are proposed are oriented to the core elements that reflects our community and the lifestyle that Briarcliff Manor residents enjoy.

A second initiative led by the Mayor is the current condition of Route 9A ... a heavily car and truck trafficked north/south road which runs through the heart of Briarcliff Manor splitting neighborhoods and our Business District. Officially designated as the Peekskill/Briarcliff Parkway, this early 1930’s construction is obviously dated in its construction, road conditions/limitations

Route 9A Press Conference

and volume capacities. A full court press was done “encouraging” the NYSDOT to address both important short-term repairs and safety issues while pursuing the longer term reconstruction and modernization of this heavily trafficked “parkway”. An extensive outreach effort has been made to our residents, local jurisdictions, WC, NYS and Federal agencies to have the NYSDOT move these important safety issues up the chain of command for future design and funding.

Our Downtown Business District is another target of the new administration. A comprehensive "Streetscape" study is underway with an accelerated timeframe for the completion of a master plan driven, phased development within a two to three year period of this 1600+ foot run of local district businesses. We have sponsored meetings on a committee and community basis to ensure that not only the merchants but the property owners become fully engaged in what we believe will be a full modernization of our downtown while maintaining the existing community orientation of a "small town" environment. When it comes to other current projects, we are nearing completion of the WCDOT road upgrades and in particular the total replacement of the Pocantico River Bridge.

Upgrades to our municipal pool, one of the first public municipal pools in Westchester County, are ongoing. As an integral part of our downtown drainage basin upgrades, we have completed the dredging phase of the Law Park Pond as a first step to these upgrades. Full restoration of the pond resumes in Spring 2020.

These obvious "inside" Village projects aside, VBM heads up the Tri-Village Work Works (with VTT and VSH): by the time this issue is in print the UV Connection providing Delaware sourced Water should be fully operational and enabling extensive Catskill Aqueduct rehabilitation, long over due. Early next year a companion project to our 30" transmission main near the Regeneron campus is to be relocated (at Route 100-C) by the NYSDOT as they resume work on traffic and roadway upgrades.

Briarcliff Manor may be viewed as a quiet community, but below and above the surface the projects currently underway, being planned, initiated and/or in progress are visible and in high gear. And ... Briarcliff is a great place to live: better still with our bond rating upgraded to a AAA (stable) by Standard & Poors. People seek out opportunities to live here: our projects and goals are to ensure that Briarcliff continues to be the home of incredible volunteerism, great educational systems, extensive municipal services and welcoming neighborhoods. It goes without saying that we thrive on volunteers offering to help, speaking at meetings and interested in making VBM even better. More great news to follow. ## TAKE A HIKE!

Briarcliff's parks and trail system are an under promoted jewel of the Village, but our access to natural beauty helps set us apart from neighboring communities. The Board of Trustees has been exploring many simple, low-cost measures to creatively expand their use. And since Thanksgiving is the perfect time to hike off a pound of yams, we have some cool news.

As you may recall, earlier this year the BOT directed Village staff to replace worn signage at the trails, groom some of the entranceways, and create a new parking area for the trail surrounding the reservoir at Old Sleepy Hollow Road.

We are now promoting a new app for hiking enthusiasts. The Village is piggybacking on a platform created by REI, a leading vendor for all things outdoorsy, called The Hiking Project. This new web platform at <https://www.hikingproject.com/directory/8023666/briarcliff-manor> provides GPS mapping of our trails, and allows users to search for trails based on level of hiking difficulty, terrain, location, elevation, appropriateness for dogs. Users can add their own comments, and it brings an off-trail community to the on-trail hiking experience.

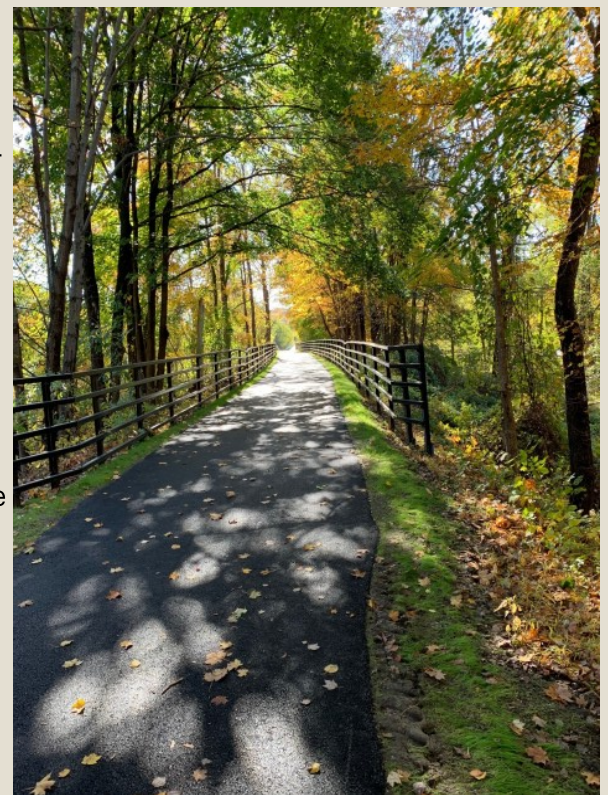

**Download iOS or Droid versions of the apps here: <https://www.hikingproject.com/mobile-app>**

This is a work in progress, and we will map every trail in the Village, and add more features, pictures, and commentary. For those hiking with kids, will offer several path options, similar to green, blue, or black ski trails, for residents to pick the best fit for the family.

Thanks to Henry Jamin, our long-term Superintendent of Parks and Rec, as well as Georgina Gualdino and the Rec Committee, for implementing this creative approach. This holiday season, invite your friends, show off our trails, and let's make all those other communities envious. When your Board says "Take a hike," we mean it in the best possible way.

## Summary of 2019 Code Changes

<b>Alternate Members for Planning and Zoning Boards</b>	Changes attendance requirement for Planning Board and ZBA members; expands voting rights for alternatives who have met attendance requirements while sitting in for absent members.
<b>B-Zone Moratorium</b>	Sets a one-year time-out period for development of B-Zone properties, while the Village reviews demands on Village services and infrastructure and contemplates amendments to building code for future use of land and continued well-being of Village.
<b>Film and Photography</b>	New law to implement procedure for film and photography permits, set fees for three classes of production levels, and recoup fees for disturbance to Village. This has already brought in about \$50,000 to our Village!
<b>Littering and Handbills</b>	Tough rewrite of littering law to safeguard the village and commercial roads (9A, 100). Includes definitions of many more cases of violations, increases fines, provides for community service for scofflaws.
<b>Peddling and Soliciting</b>	New privacy protections for residents, including a Village "Do Not Solicit" list for homeowners. Signup at <a href="http://www.briarcliffmanor.org">www.briarcliffmanor.org</a> or contact Christine Dennett, Village Clerk at (914) 941-4801.
<b>Street Parking</b>	Updated rules for parking in the Village right of ways, shoulders, and streets.
<b>Property Maintenance</b>	Complete rewrite of former law to include NYS requirements for property maintenance, limit invasive species, prevent perilous trees or drainage problems, and allow Village to enforce upkeep of unsightly or unsafe property conditions.
<b>Fireworks</b>	New law to enforce safety precautions for firework displays, limit length of displays, require notification to neighboring properties, eliminate disturbances during school nights, and increase licensing fees for firework displays.
<b>PB and ZBA Notification</b>	Changes to existing code to improve notification requirements to neighboring property owners when variances are sought, or major construction projects are planned.
<b>Sports Courts</b>	New code to regulate sports courts on residential properties.
<b>Swimming Pools</b>	Zoning changes to improve placement and regulate buffer zones and screening requirements for swimming pools and pool equipment, and loosen requirements for placements of spas.
<b>Noise</b>	Complete rewrite of local Noise Law to clarify and improve measurement of offensive noises, consider a wider range of activities likely to disturb surrounding properties, improve enforcement while allowing for exceptional events that may occur on residential properties from time to time.
<b>Solar Energy</b>	Loosening of restrictions on solar panels to allow residents to take fuller advantage of solar energy.
<b>Garbage and Recycling</b>	Complete rewrite and updating of garbage collection and recycling laws to improve the process for licensing private haulers, control disruptions formally caused by early morning pickup, update regulations for commercial properties, and separate operational language from the law to simplify any future changes that may be required by the Department of Public Works.

## LAW PARK ICE RINK RETURNS FOR 8<sup>th</sup> YEAR!

The Village's "NiceRink", temporary ice skating rink, replaced the Law Park Pond as our official location for recreational ice skating during the winter of 2012-13, and we are pleased to say it will be back for its eighth season this year! The rink measures 104' x 56' and features 18" high plastic boards. Installation is scheduled for Law Park Tennis Court #4 (the asphalt court) during the month of December and the rink will open as soon as natural freezing can be achieved.

As we have in past seasons, we are asking all residents wishing to utilize the rink to "buy in" and support this offering by purchasing a 2019-20 seasonal "Ice Skating Permit". Our permit system is simple and inexpensive. The seasonal permits are \$5 per person for Village residents; and \$10 per person for School District residents and Guests.

We encourage you to enjoy the rink and don't hesitate to report your observations, suggestions, complaints and ideas to us regularly. Please send emails to Superintendent Henry Jamin at [hjamin@briarcliffmanor.org](mailto:hjamin@briarcliffmanor.org). You may also call the Recreation office at 941-6560.

Visit the Recreation webpage at [www.briarcliffmanor.org](http://www.briarcliffmanor.org) to access additional information.

### WINTER 2020 AFTER SCHOOL PROGRAM

The Winter After School Program brochure is posted on the Recreation page of the Village website by mid-December for programs in the new year.

A variety of programs are available & offered for children in Grades K-5 on Monday-Thursday afternoons at the Todd Elementary School.

First-Come, First-Served online & in-person registration begins

**Thursday, January 2nd @ 8:30 am**

The Registration Deadline is set for **Friday, January 10th @ 12 noon**

All programs will run for eight weeks and will begin the week of January 27.

## UPCOMING FAMILY EVENTS

### Letters to Santa:

Drop off letters to Santa at the Briarcliff Post Office or Recreation Office beginning 11/27. Address your envelope to "Santa Claus, North Pole" and remember to include your name and address. No postage necessary! Santa will reply to all letters received by December 16.

### Santa's Express:

The Fire Department will be escorting Santa throughout the village on **December 15<sup>th</sup>**, from approximately 9am to 2pm. If you hear the sirens in your neighborhood come outside and wave to Santa and all his Fire Department elves.

### PBA Holiday Drives:

The VBMPD PBA has teamed up with the Fire Department to collect coats and toys.~ Their Annual Coat Drive is looking for new or gently used winter coats to be dropped off at the Police Headquarters, 1111 Pleasantville Road, at any time through December 14.~ Then there's the PBA Annual Toy Drive: drop off new **unwrapped toys** at the Police Headquarters at any time through December 14.~ All toys will be delivered to the Maria Fareri Children's Hospital on December 14.

## IMPORTANT INFORMATION FOR RESIDENTS

**Overnight Winter Parking Restrictions:** Starting December 1, and through March 31, the annual overnight parking ban will be in effect. The ban prohibits parking from 2:00 AM to 6:00 AM on any Village street, road or Municipal Parking lot with the exception of the Scarborough Train Station Parking Lot. Overnight parking at VBM's Railroad Station lot is prohibited from 3:00 AM to 6:00 AM. Violators will be fined.

**Tax Payment:** The second installment of Village property taxes are due on or before Tuesday December 31, 2019. Village Hall will be open until 4:00pm on December 31st to accept payments in person. A clear and legible postmarked date of December 31, 2019 is acceptable for payments that are mailed to Village Hall. Payments can also be made online without penalty until 11:59pm on December 31st.

**2020 Scarborough Station Parking Permits:** Applications are currently being accepted by mail or in person. The hours of operation are Monday through Friday, 8:30 a.m. to 4:30 p.m. Please visit our website [www.briarcliffmanor.org](http://www.briarcliffmanor.org) to obtain the 2019 Scarborough Station Parking Permit Application (listed under "Forms & Applications" on the homepage).
