BRIARCLIFF MANOR AND THE CENSUS 2010

Your 2010 Census forms have been mailed. Please take the time **NOW** to complete and return them. The Census is vitally important: all levels of government base federal and state funding and grants to local communities on the 10 year Census. Funds awarded to our community for neighborhood improvements, public health, transportation, education and our schools, are all based on our official population. Only you can determine the accurate head count of Briarcliff Manor. Even New York City's allocation of water to Briarcliff Manor is based on our population. This is a matter of dollars and sense: please take time to fill out your forms and return them as soon as possible. **BRIARCLIFF MANOR IS COUNTING ON YOU!**
