

VILLAGE OF BRIARCLIFF MANOR

NOTES FROM THE VILLAGE BOARD OF TRUSTEES

January 2018

VILLAGE MANAGER'S REPORT

(914) 944-2782

Happy New Year ... even if a bit belated! The Mayor and Board of Trustees join me in wishing you our best wishes. As hectic as 2017 was, we anticipate that 2018 will be more so focusing on the several projects caught in mid-stream as well as several new ones. The WJV Community Center has become our centerpiece for community activities while linked to the full, expanded rebuild of our Law Park Pool Pavilion. With the harsh winter curtailing ongoing work, we look to complete the Route 9A x North State Road intersection, the completion of the North State and Pleasantville Road work as well as extensive repaving of Pleasantville Road from South State towards Pleasantville itself. The Pocantico River Bridge replacement is in the offing. Intersection work at Ingham and the rebuilding of Horsechestnut Road looks to completion in the Spring. We have future projects to reconfigure the parking at Law Park and dredge the Law Park Pond. Look for the renovation of our Village Hall exterior adding many ADA enhancements as well as landscaping and a parking lot redesign.

On the quality of life side, the Mayor and BOT have worked hard to revise and revamp our old Noise Ordinance to reflect today's more current requirements and neighborhood needs. Please note that there is a Public Hearing set for Wednesday, 7 February 2018, at 8:00 PM in the WJV Community Center to solicit public comments and suggestions. You are urged to attend. A one-page comparative of the old and new versions of the proposed ordinance is available on the website.

We want to keep you informed: if you haven't signed up for my weekly "Village Manager's Reports" call our office at 914-941-4800 or visit our website at www.briarcliffmanor.org or managersoffice@briarcliffmanor.org.

RECYCLING RULES & REGULATIONS

ORGANIC WASTE

BAGGED LEAVES & GRASS CLIPPINGS: Bagged leaves are picked up at curbside.

BULK LEAVES: Bulk leaf pick up at the curbside (including bagged leaves) must be placed within the Village's Right Of Way (usually the first 10 feet from the road edge): not in the road. We cover the Village in a series of several laps, each taking between two to three weeks to complete. We do not respond to scheduling requests: and continue pick up until complete. Do not mix sticks or brush with leaves. Once the final lap is complete, bulk leaf pick up kicks into the schedule for bagged leaves, above. You can also drop off leaves at DPW or provide a note for your landscaper to drop them off on your behalf.

BRUSH: Branches must be less than 6" in diameter and cut to 5' or less in length and TIED in manageable bundles. Small loose brush must be placed in paper bags for curbside pick up on Recycle Wednesday.

LOGS: Logs and brush in excess of 6" diameter and longer than 5' **will not** be picked up. You will have to make other arrangements for disposal.

CHRISTMAS TREES: Christmas trees are picked up at the curbside on your Recycle Wednesday.

NOTE: All organic waste material meeting the above criteria can be dropped off by you or your landscaper (with a note from you) at the DPW yard at 10 Buckhout Road, all year, Monday through Friday from 7:30 a.m. to 3:00 p.m. Residents and landscapers must sign in at the DPW office.
