The Science of Water

Winter 2026

In this hands-on course, a credentialed science teacher leads students in exploring the science of water. Through conducting experiments, students investigate buoyancy, surface tension, salinity, and capillary action; observe how water changes form; build basic filtration systems; and discover how water can do work through water wheels.

ELIGIBLE

Children ages 7 - 12, who reside in the Village of Briarcliff Manor (VBMR). Briarcliff Manor School District (BMSD) & Non-residents (NONR) are welcome to join!

DATES

Tuesdays – March 3, 10, 17, 24

TIMES

3:15 – 4:15pm

LOCATION

Briarcliff Manor Youth Center – 5 Van Lu Van Road

FEE

\$100.00 - Village residents (VBMR) and Non-resident (BMSD/NONR)

DEADLINE

1 week prior to program start date!

REGISTRATION

Registration begins Wednesday, December 10th at 9am. Registration is done online* from any device, in person (at the Recreation Office, 3 Library Rd) or by using the drop box outside the WJV Community Center, 3 Library Road. Registration is no longer accepted over the phone. Space for all programs is limited and will be handled on a first come first served basis. In person and online registration will occur simultaneously. The drop box will be processed with the days' mail. *In order to register online you must have or create an account for your household through our Registration software, [CivicRec](#).
